- 5 Complete the Account Information including creating a Username and Password
- 6 To add dependents, on the homepage click My Family, then Add New Dependent *

Benefit Highlight

FlexCare

With FlexCare, you have 24/7 access to a board-certified physician over the phone. Doctors can diagnose your medical issue and even prescribe medication when necessary. Call FlexCare when you're considering the urgent care or ER for a non-emergency issue.

[Log in today to start using this benefit!](#)

If you have any issues, please call 855-847-3627.

* Adult dependents will receive an email with a unique username - they must log on to their own account to complete their Medical History before requesting a consult.

This plan is NOT insurance.

The plan is not insurance coverage and does not meet the minimum creditable coverage requirements under M.G.L. c. 111M and 956 CMR 5.00. © 2016 Teladoc, Inc. All rights reserved. Teladoc and the Teladoc logo are registered trademarks of Teladoc, Inc. and may not be used without written permission. Teladoc does not replace the primary care physician. Teladoc does not guarantee that a prescription will be written. Teladoc operates subject to state regulation and may not be available in certain states. Teladoc does not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. Teladoc physicians reserve the right to deny care for potential misuse of services. Teladoc phone consultations are available 24 hours, 7 days a week while video consultations are available during the hours of 7am to 9pm, 7 days a week.

Teladoc is now available for your iPhone® and Android®.
